COMMUNITY DAY OF REMEMBRANCE AND SCOUT SALUTE FRIDAY, SEPTEMBER 11, 2026

The 9/11 Day of Remembrance and Salute is an opportunity for families and communities to come together to remember and honor those who lost their lives on September 11, 2001, as well as to thank and honor our Military, Veterans, Police, Fire, and EMS personnel.

This Day of Remembrance is open to all members of the community; religious organizations; educational institutions; social and civic organizations; businesses; and local, state, and national agencies; and organizations and associations.

Groups are encouraged to take a moment out of their day to join the nationwide remembrance. Salute a flag for three minutes anytime, anywhere on September 11.
